Rastalogical Class “ The fulfillment of me Cosmic Christ”

Tafari = Creator = Word

The heavens declare the glory of God and the firmament sheweth forth his handy work that was the prophetic fulfillment of the cosmic Christ and his arrival. This was seen as a manifestation of the statement of John 1 verse 14. The son that would come forth from heaven unto earth to liberate mankind, which was observed by the law and the prophets (Numbers 24 verse 17).

Tafari was the fulfillment of prophecy compatible to Joshua the Christ and the Magi that observed the Star of David, the arrival of Joshua (Matthew 2 verse 2). Genesis 49 verse 10 established house from which he would come, and that house, the house of Judah, represented the fifth sign of the zodiac. The zodiac sign of Leo begins on the 23 of July and is a constellation in the northern sky, said to resemble a Lion. The advent of Tafari 1885, 23 of July 1892 consolidate the prophetic fulfillment of the law and the prophet through that promised son. Seeing that the world needed a savior to liberate it from the onslaught of Kaiser (Germany), in the new age of gun powder, their intention was to divide Africa amongst its participants highlighted in the Berlin conference of 1888.

The birth of Tafari fulfilled the promise of Isaiah 9 verse 6, in which a son was given a dynastical seed that would fulfill the covenant of Psalm 89 verse 34-36, statement made to David. Tafari emergence facilitated the establishment of Amos 9 verse 11. The dynastical seed that would come forth from Jesse and would possess the ability spoken of in Isaiah 11 verse 1-2. Characteristics, the young Tafari displayed from early childhood in the courts of Menelek II. The evolution of Tafari as a young man would again bring about the fulfillment of

prophecy, in that great responsibility would be entrusted upon him. His government of the province of Selale in 1906 at the age of 13 1/2, and his appointment of administrative duties from 1908 - 1916, for the province of Sidamo, fulfilled Jeremiah 33 verse 14 - 16. The prophetic fulfillment of the cosmic Christ is seen by Rastafarians as the basis for the establishment of an academic philosophy that would ensure salvation. The statement of Joshua the Christ (Matthew 24 verse 33, 24 and 29-13), established the historical data necessary to confirm the appearance of the Second Advent. The days of May 19, 1780, (darkday), November 13, 1833 (starfell), ushered in that stormy day of July 23, 1892. Rastalogy sites this as the activity of the Glory of God. A son was given (Tafari) unto mankind. The July 23 1892 is seen by Rastafarians as a sacred and holy day. Without Tafari and his evolution there would be no Rastafari or Haile Selassie I.
